En este documento, se incluye una lista de medicamentos (formulario) para nuestro plan, la cual se actualizó por última vez el 09/19/2023. Para obtener el formulario actualizado, comuníquese con nosotros. Nuestra información de contacto y la fecha de la última actualización del formulario se encuentran en la portada y en la contraportada.

En general, debe recurrir a farmacias de la red para utilizar sus beneficios de medicamentos con receta. Los beneficios, el formulario, la red de farmacias y los copagos o el coseguro pueden cambiar el 1 de enero del 2023 y periódicamente durante el año.

¿Qué es el formulario de Clover Health?

Un formulario es una lista de medicamentos cubiertos que Clover Health selecciona consultando a un equipo de proveedores de atención médica, y que representa las terapias recetadas que se consideran parte necesaria de un programa de tratamiento de calidad. En general, Clover Health cubrirá los medicamentos incluidos en nuestro formulario siempre que el medicamento sea médicalemente necesario, la receta se surta en una farmacia dentro de la red de Clover Health y se cumplan otras normas del plan. Para obtener más información sobre cómo obtener sus medicamentos con receta, consulte su Evidencia de cobertura.

¿Puede cambiar el formulario (lista de medicamentos)?

La mayoría de los cambios en la cobertura para medicamentos ocurren el 1 de enero, pero Clover Health puede agregar o eliminar medicamentos de la Lista de Medicamentos durante el año, cambiarlos a diferentes niveles de costo compartido o agregar nuevas restricciones. Debemos seguir las normas de Medicare en la realización de estos cambios.

Cambios que pueden afectarlo este año: En los siguientes casos, usted se verá afectado por los cambios de la cobertura que se realicen durante el año:

- **Medicamentos genéricos nuevos.** Podemos eliminar de inmediato un medicamento de marca de nuestra Lista de Medicamentos si lo reemplazamos con un medicamento genérico nuevo que aparecerá en el mismo nivel de costo compartido, o en un nivel de costo compartido más bajo y con las mismas restricciones o menos. Además, al agregar el nuevo medicamento genérico, podemos decidir mantener el medicamento de marca en nuestra Lista de Medicamentos, pero moverlo de inmediato a un nivel de costo compartido diferente o agregar nuevas restricciones. Si actualmente está tomando ese medicamento de marca, es posible que no le informemos con anticipación antes de implementar el cambio, pero luego le brindaremos información sobre los cambios específicos que hemos realizado.
 - Si realizamos ese cambio, usted o el emisor de la receta pueden solicitar que hagamos una excepción y que continuemos cubriendo el medicamento de marca para usted. En el aviso que le proporcionemos, también se incluirá información sobre los pasos que debe seguir para

solicitar una excepción; asimismo, puede encontrar información en la sección a continuación titulada “¿Cómo solicito una excepción al Formulario de Clover Health?”.

- **Medicamentos retirados del mercado.** Si la Administración de Alimentos y Medicamentos (Food and Drug Administration, FDA) considera que un medicamento de nuestro formulario no es seguro o si el fabricante de dicho medicamento lo retira del mercado, nosotros lo eliminaremos inmediatamente de nuestro formulario y avisaremos a los miembros que lo tomen.
- **Otros cambios.** Es posible que realicemos otros cambios que afecten a los miembros que actualmente toman un medicamento. Por ejemplo, podemos agregar un medicamento genérico que no sea nuevo en el mercado para reemplazar un medicamento de marca que se encuentre actualmente en el formulario, agregar nuevas restricciones al medicamento de marca o cambiarlo a un nivel diferente de costo compartido, o ambas opciones. O bien podemos implementar cambios según nuevas pautas clínicas. Si eliminamos medicamentos de nuestro formulario o si agregamos restricciones de autorización previa, límites de cantidad o terapia escalonada para algún medicamento, o si movemos un medicamento a un nivel de costo compartido más alto, debemos notificar a los miembros afectados en un plazo de, al menos, 30 días antes de que el cambio entre en vigor o cuando los miembros soliciten un resurtido del medicamento, momento en el cual recibirán un suministro para 30 días de dicho medicamento.
 - Si realizamos estos otros cambios, usted o el emisor de la receta pueden solicitar que hagamos una excepción y continuemos cubriendo los medicamentos de marca para usted. El aviso que le proporcionemos también incluirá información sobre los pasos que debe tomar para solicitar una excepción; asimismo, puede encontrar información en la sección a continuación titulada “¿Cómo solicito una excepción al formulario de Clover Health?”.

Cambios que no lo afectarán si actualmente está tomando el medicamento. En general, si usted toma un medicamento de nuestro formulario 2023 que estaba cubierto al comienzo del año, nosotros no interrumpiremos ni reduciremos la cobertura de dicho medicamento durante el año de cobertura 2023, excepto en los casos que mencionamos anteriormente. Esto significa que estos medicamentos continuarán estando disponibles con el mismo costo compartido sin nuevas restricciones para aquellos miembros que los tomen durante el resto del año de cobertura. No recibirá un aviso directo este año sobre cambios que no lo afectan. Sin embargo, el 1 de enero del próximo año, tales cambios lo afectarían y es importante revisar la lista de medicamentos para el nuevo año de beneficios en caso de que hubiera cualquier cambio en los medicamentos.

El formulario adjunto es actual a partir del día 09/19/2023. Para obtener información actualizada sobre los medicamentos cubiertos por Clover Health, comuníquese con nosotros. Nuestra información de contacto se encuentra en la portada y en la contraportada. En el caso de que se realicen cambios en el formulario a mitad de año que no estén relacionados con el mantenimiento, la herramienta de búsqueda del formulario publicada en nuestro sitio web se actualizará de manera mensual y los formularios impresos se actualizarán de manera trimestral.

¿Cómo debo utilizar el formulario?

Existen dos formas de encontrar su medicamento en el formulario:

Condición médica

El formulario comienza en la página 8. Los medicamentos que aparecen en este formulario están agrupados en categorías según el tipo de condición médica para el que se utilizan. Por ejemplo, los medicamentos que se utilizan para tratar un problema cardíaco se encuentran en la categoría CARDIOVASCULAR. Si sabe para qué sirve su medicamento, busque el nombre de la categoría en la lista que comienza en la página 8. Luego, busque su medicamento dentro de esa categoría.

Lista en orden alfabético

Si no está seguro de la categoría en la que debe buscar, deberá buscar su medicamento en el Índice que comienza en la página 85. El índice brinda una lista en orden alfabético de todos los medicamentos incluidos en este documento. Tanto los medicamentos de marca como los medicamentos genéricos se encuentran enumerados en el Índice. Consulte el índice y busque su medicamento. Junto a su medicamento, verá el número de la página en la que podrá encontrar la información de cobertura. Diríjase a la página indicada en el índice y busque el nombre de su medicamento en la primera columna de la lista.

¿Qué son los medicamentos genéricos?

Clover Health cubre los medicamentos de marca y los medicamentos genéricos. Un medicamento genérico es un medicamento aprobado por la Administración de Alimentos y Medicamentos (Food and Drug Administration, FDA) por tener el mismo ingrediente activo que el medicamento de marca. En general, los medicamentos genéricos cuestan menos que los medicamentos de marca.

¿Existe alguna restricción en mi cobertura?

Algunos medicamentos cubiertos pueden tener requisitos o límites adicionales para la cobertura. Estos requisitos y límites pueden incluir lo siguiente:

- **Autorización Previa:** Clover Health requiere que usted o su médico obtengan una autorización previa para ciertos medicamentos. Esto significa que deberá obtener aprobación de Clover Health antes de surtir sus recetas. Si no obtiene la aprobación, Clover Health podría no cubrir el medicamento.
- **Límites de Cantidad:** Para ciertos medicamentos, Clover Health limita la cantidad de medicamento que cubrirá. Por ejemplo, en el caso de la *rosuvastatina*, Clover Health proporciona un comprimido al día por receta. Esto podría ser adicional al suministro estándar de uno o tres meses.
- **Terapia escalonada:** en algunos casos, Clover Health exige que primero intente tratar su condición médica con ciertos medicamentos antes de cubrir otro medicamento para la misma condición. Por ejemplo, si el Medicamento A y el Medicamento B tratan la misma afección médica, Clover Health podría no cubrir el Medicamento B, a menos que pruebe el Medicamento A primero. Si el medicamento A no le da buenos resultados, Clover Health cubrirá el medicamento B.

Puede averiguar si su medicamento tiene requisitos o límites adicionales consultando el formulario que comienza en la página 8. También puede obtener más información sobre las restricciones que se aplican a medicamentos cubiertos específicos si visita nuestro sitio web. Publicamos documentos en línea en los que se explican nuestras restricciones de autorización previa y terapia escalonada. Puede solicitarnos que le

enviemos una copia. Nuestra información de contacto y la fecha de la última actualización del formulario se encuentran en la portada y en la contraportada.

Puede solicitarle a Clover Health que se haga una excepción a estas restricciones o límites, o puede pedir una lista de otros medicamentos similares que podrían usarse para tratar su condición de salud. Consulte la sección “¿Cómo solicito una excepción al formulario de Clover Health?” en la página 4 para obtener información sobre cómo solicitar una excepción.

¿Por qué mi medicamento no está incluido en el formulario?

Si su medicamento no está incluido en este formulario (lista de medicamentos cubiertos), primero debe comunicarse con Servicios para los Miembros y preguntar si su medicamento tiene cobertura.

Si le informan que Clover Health no cubre su medicamento, usted tiene dos opciones:

- Puede solicitar a Servicios para los Miembros una lista de medicamentos similares que estén cubiertos por Clover Health. Cuando reciba la lista, muéstresela a su médico y pídale que le recete un medicamento similar que esté cubierto.
- Puede solicitar a Clover Health que haga una excepción y cubra su medicamento. A continuación, encontrará información sobre cómo solicitar una excepción.

¿Cómo solicito una excepción al formulario de Clover Health?

Puede solicitar a Clover Health que haga una excepción a las reglas de cobertura. Existen varios tipos de excepciones que puede solicitar.

- Puede solicitarnos que cubramos un medicamento, aunque este no esté en nuestro formulario. Si se aprueba, este medicamento se cubrirá en un nivel de costo compartido predeterminado y usted no podrá solicitar que le proporcionemos dicho medicamento en un nivel de costo compartido menor.
- Puede solicitarnos cubrir un medicamento del formulario en un nivel de costo compartido más bajo, a menos que dicho medicamento se encuentre en el nivel de medicamentos especializados. Si se aprueba, el monto que deberá pagar por el medicamento disminuirá.
- Puede solicitarnos que eliminemos las restricciones o los límites de cobertura para su medicamento. Por ejemplo, en el caso de ciertos medicamentos, Clover Health limita la cantidad de medicamento que cubrirá. Si su medicamento tiene un límite de cantidad, puede solicitarnos que eliminemos dicho límite y le brindemos una cobertura por una cantidad mayor.

En general, Clover Health solo aprobará su solicitud de excepción si los medicamentos alternativos incluidos en el formulario del plan, [the lower cost-sharing drug] o las restricciones de utilización adicionales interfieren con la efectividad del tratamiento de su condición o podrían llegar a provocarle efectos médicos adversos.

Comuníquese con nosotros para solicitarnos una decisión de cobertura inicial respecto a una excepción de una restricción de formulario, nivel o utilización. **Cuando solicite una excepción a una restricción de formulario, nivel o utilización, deberá presentar una declaración de la persona que emitió la receta o de su médico para respaldar su solicitud.** En general, debemos tomar una decisión dentro de las 72 horas

de haber recibido la declaración de la persona que emitió la receta. Puede solicitar una excepción expedita (rápida) si usted o su médico consideran que esperar por hasta 72 horas para la toma de una decisión podría perjudicar gravemente su salud. Si se aprueba su solicitud de acelerar el proceso, deberemos comunicarle nuestra decisión en un plazo que no supere las 24 horas desde el momento de la recepción de la declaración del médico o de la persona que emitió la receta.

¿Qué debo hacer antes de poder hablar con mi médico sobre el cambio de medicamentos o la solicitud de una excepción?

Como miembro nuevo o existente de nuestro plan, usted podría estar tomando medicamentos que no se encuentren en nuestro formulario. O bien es posible que esté tomando un medicamento que se encuentre en nuestro formulario, pero su capacidad de obtenerlo sea limitada. Por ejemplo, podría necesitar nuestra autorización previa para poder surtir su receta. Debe hablar con su médico para decidir si debe cambiar su medicamento por un medicamento adecuado cubierto o si debe solicitar una excepción de formulario para que cubramos el medicamento que usted toma. Mientras habla con su médico para determinar lo que es adecuado para usted, nosotros podríamos cubrir su medicamento, en ciertos casos, durante los primeros 90 días de su membresía en nuestro plan.

Por cada uno de sus medicamentos que no esté incluido en nuestro formulario o si su capacidad de obtener los medicamentos es limitada, cubriremos un suministro temporal para 30 días. Si su receta está indicada para menos días, permitiremos resurtidos hasta llegar a un máximo de un suministro para 30 días del medicamento. Después del primer suministro de 30 días, no pagaremos por estos medicamentos, incluso si ha sido miembro del plan por menos de 90 días.

Si usted reside en un centro de atención a largo plazo y necesita un medicamento que no se encuentra en nuestro formulario, o si sus posibilidades de obtener sus medicamentos están limitadas, pero ya pasaron sus primeros 90 días de membresía en nuestro plan, cubriremos un suministro de emergencia para 31 días de dicho medicamento mientras intenta obtener una excepción de formulario.

Si se realiza un cambio en su entorno de tratamiento, por ejemplo, si ingresa a un centro de cuidado a largo plazo (LTC, Long-Term Care) o si recibe el alta de una, se le proporcionará acceso a un resurtido después del ingreso o el alta, según corresponda. Clover Health no utilizará modificaciones anticipadas de los resurtidos para limitar el acceso apropiado y necesario a su beneficio de la Parte D. Es posible que se proporcione un suministro temporal en su farmacia de la red si en la reclamación de la receta enviada se indica que la configuración del tratamiento o el nivel de atención han cambiado. De lo contrario, la farmacia se comunicará con el Centro de Atención a Farmacias para obtener una anulación de la presentación de la solicitud de surtido temporal por nivel de atención.

Nuestra Política de Surtido de Transición se encuentra disponible en el sitio web de Clover Health, www.cloverhealth.com/formulary

Niveles de copago por niveles de medicamento

El formulario 2023 de Clover Health cubre la mayoría de los medicamentos identificados por Medicare como medicamentos de la Parte D y su copago puede diferir según el nivel en el que se encuentre el medicamento. Los montos de los copagos y los porcentajes de coseguro para cada nivel varían según el plan. Consulte el Resumen de Beneficios o la Evidencia de Cobertura del plan para ver los montos de copagos y coseguros.

Nivel 2	Medicamentos Genéricos
Nivel 3	Medicamentos de Marca Preferidos: Incluye medicamentos de marca preferidos y genéricos no preferidos
